Juzo Assist

Compression Stockings

Support for active lifestyles
Comfortable compression stockings slip on and off, easily.

Juzo Assist. Glides on and provides excellent containment.

Juzo Assist delivers comfortable compression therapy with a unique, patent pending knit that glides easily over feet – effective, and easy to wear.

Nonslip comfort, uniform support

Juzo Assist's excellent containment means steady support that encourages more active lifestyles. And our unique instep functional zone reduces cutting in, even when foot position is at 90 degrees, making Juzo Assist comfortable while sitting.

Functional and adjustable

Unique fabric knit in the forefoot area offers a long-wearing covering that won't fold or bunch, while a larger heel makes for easier adjusting. People suffering from Chronic Venous disease wearing Juzo Assist get not only therapeutic relief, but feel encouraged to do more – and move more.
