Now offering these new features for women who want legs that feel energized and looking good:

### Taller, more comfortable waistband

- Helps prevent binding and constriction at the waist

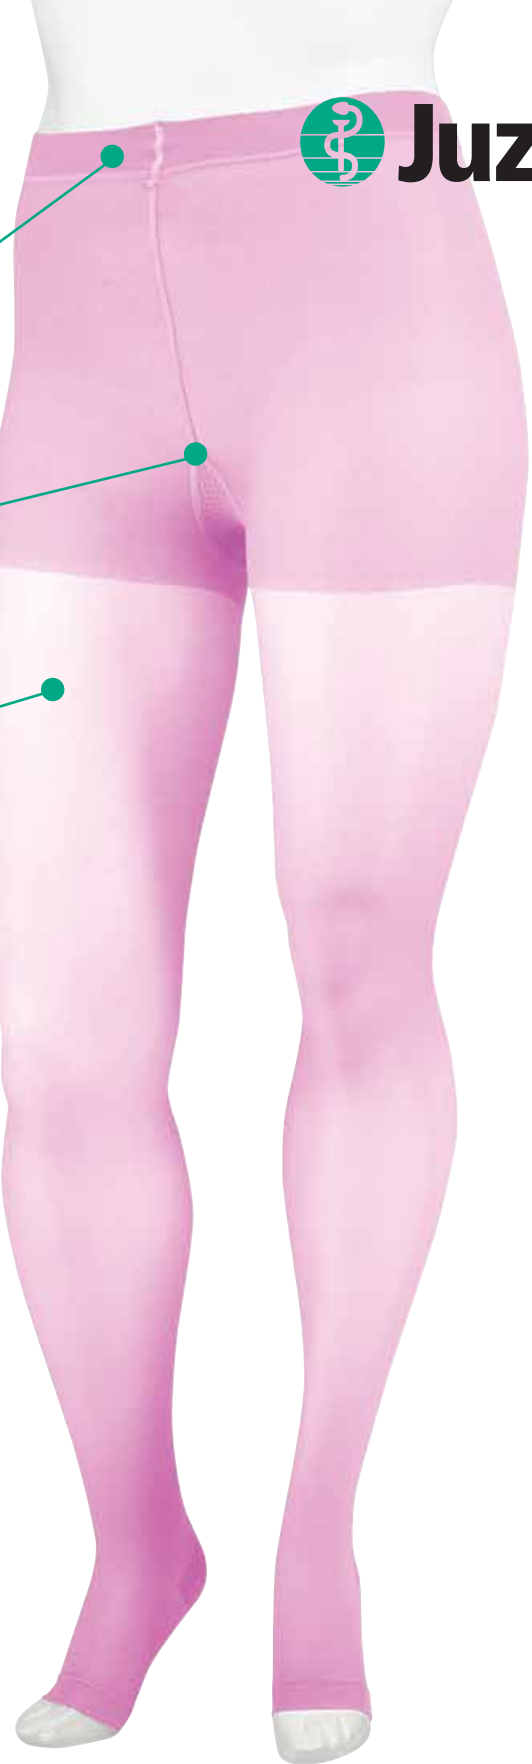

### Vented, silver fiber crotch

- Enhanced breathability
- Anti-microbial, anti-odor protection

### Optimized Elasticity

- Provides all-day wearing comfort
- Resists binding and constriction at the knee
- Fits better lengthwise
- Slips on and off with greater ease

Stock your shelves with our *New Naturally Sheer Compression Stockings* and make it easier for your female customers to find *Juzo comfort, relief and style.*
